17TH NOVEMBER 2023

A WORD FROM THE PRESIDENT

When I speak about the Phoenix Lacrosse Club in general & our 2023 season in particular, the word I use most frequently is awesome.

We have awesome club people. We have awesome teams. We have awesome individual achievements on and off the field. And - we have an absolutely awesome future ahead of us.

So, a huge thank you to those awesome people without whom this club would not survive. To the professional, passionate & dedicated club members who take on committee, coaching, team manager & other volunteer roles putting in so much time & effort. To the families behind those people who either lose their partner/parent for the season or get dragged along into to volunteering as well whether they like it or not!

It is a privilege to lead the Phoenix Lacrosse Club as President. It is an honour to be part of an amazing community driven organization that has so much more to achieve.

COLIN MOIR
PRESIDENT
