ACKNOWLEDGEMENT

We acknowledge:

The Beeliam people of the Whadjuk (wah...jak) Nyungar (noong..aah) nation as the traditional custodians of the lands upon which we gather on here today OR Phoenix Lacrosse Club sits.

We pay our respects to the Elders, past, present and emerging.

We Acknowledge:

The people of the Six Nations, the Haudenosaunee (hore.. den..o..shore..nee) people, for the gift of the Creators game, the medicine game, the game of lacrosse, that we share, enjoy and respect.

Acknowledge Gratitude to:

The forbearers, and people of Phoenix Lacrosse, for passing our clubs existence and care down through the generations, so lacrosse may continue to teach the lessons of life. 2025 REFLECTIONS

From the first whistle to the final siren, we've seen it everywhere – in our players digging deep, our teams lifting each other up, our volunteers showing up rain, hail or shine, and our supporters bringing the energy week after week.

This year, we've celebrated amazing growth and incredible achievements – on the field and off.

But as we all know, those moments of success don't just happen. They're built through challenges faced, lessons learned, and the collective strength of a community that never gives up.

That's the Phoenix way...

To our entire Phoenix family – thank you. Every one of you adds to the fabric of this club.

Here's to the season that was, and to everything still to come.

Once a Phoenix'er,
always a Phoenix'er.

EXTRA MENTIONS

Ashtyn Hiron

As we wrap up this season, it's incredible to reflect on how far we've come since the preseason. From the very beginning, the energy and commitment displayed by our team have been nothing short of inspiring. We owe much of our success to Ashtyn, whose unwavering support and remarkable leadership have truly set the tone for our journey. Under her guidance, we've not only strengthened our skills but also embraced a culture of empowerment and camaraderie. This season marks a significant achievement for our women's program as we celebrated winning the Minor Premiership and competing in our first-ever Grand Final. Ashtyn's dedication to fostering talent and advocating for women in lacrosse has inspired us all, and her passion has been a driving force behind our progress. All whilst travelling to represent Australia on the world stage twice! As we look ahead, we are excited to build on this foundation and continue to grow. Here's to celebrating Ashtyn and all that we have accomplished together—we can't wait to see what the next chapter brings!

Konrad Frankee

As we draw the curtain on this season, we stand filled with pride and gratitude for the incredible journey we've shared under Konrad's inspiring leadership. His remarkable ability to develop and teach has not only nurtured the talents of our players but has also woven a deep sense of unity and camaraderie across the Phoenix Lacrosse Club Senior Men's Program. This season, our commitment to the "grow the game" philosophy has ignited a spark that saw us field three senior men's teams. We've seen significant growth not just in our field skills, but also in the bonds between players, coaches, and supporters. The spirit of community we've built has become our greatest strength. As we envision the future, we are filled with excitement and optimism! The foundation we've established this season is sure to lead us to even greater heights in the years to come. Let's carry his momentum forward and continue to inspire one another!

Thank you both,
Our club is better
because of you.

Our Vision - (Our How)

Empower people through Lacrosse,
who then empower people in Lacrosse,
now and for future generations.

Our Mission - (Our What)

People to 'play' or 'participate in' lacrosse
in a good way - as in sport, as in life,
one person, one team, one game at a time.

SUCCESS: A club that fields teams of
conscientious skilled players; within a sports
club with a prominent sense of community.
